

ANURAG TYAGI

C S M A J O R F R E S H E R

PROFILE

I am an individual who has an appetite for learning new things in this swiftly growing world. I know how to prosecute Deep Work. Doing things before deadlines and giving my chores with a little bit something more just to give it a signature touch is my practice. I want to test my abilities with real life hands on work experience and ethics thereby I seek to participate in Industrial Training as well!

PROJECTS

Web Development Projects

Chrome Extension

- Chrome Extension built on JS and is used to save important tabs in just one click.
- The app version of the extension is paired with the live database via Firebase.
- GitHub Repo to extension - [LEAD TRACKER EXTENSION](#)
- App link - [LEAD TRACKER APP](#)

PG LIFE (ONGOING PROJECT)

- Developing a full-stack web application using HTML, CSS, Bootstrap (Frontend) and PHP, MySQL (Backend & DBMS).
- Implementing core features such as user authentication, PG listings, search & filters, amenities details, and admin management panel.
- Designing a responsive UI for smooth user experience across devices.
- GitHub Repo to extension - [\(PG LIFE EXTENSION\)](#).
- Website link - ()
- Currently in progress, with regular commits and iterative development to GitHub.
